I have the authority lawful right and power to refuse all interaction with peace officers who have not observed me breach the peace whereas permanent estoppel by acquiescence barring any peace officer or prosecutor from bringing charges against a freeman-on-the-land under any act created by a fictitious body.

Common law notice of right to travel without regulation

"The use of the highway for the purpose of travel and transportation is not a privilege but a common and fundamental right of which the public and individuals cannot rightfully be deprived." – Chicago motor coach v. Chicago, 337 iii.200, 169 ne 22, 66 alr jur (1rst) highways, sec. 163 inparamateria.

I am not in any "jurisdiction," for I am not of subject status.

If you proceed, you are committing an action under global and universal restraint by which you are bound.

Be it known to all who call themselves police officers, "government," their "courts," agents, corporations and other parties, that I am a natural, freeborn sovereign individual, without subjects. I am neither subject to any entity anywhere, nor is any entity subject to me. I neither dominate anyone, nor am I dominated. I may voluntarily choose to comply with the "statutes" which others attempt to impose upon me, but no such "statutes," or their "enforcers," have any authority over me. I am under different jurisdiction and any corporate statutory UCC codes, papers, services, benefits, summons, warrants, contracts, use of physical force, arrest attempts, incarcerations, or other action on your part is not authorized or permitted under jurisdictional mandates and will be considered an international crime under GLOBAL UNIFORM COMMERCIAL JURISDICTION WHICH IS THE LAW THAT BINDS CORPORATE 'PERSONS' AND OFFICE HOLDERS ONLY.

Unless I have willfully harmed someone or someone's property without their consent AND THERE IS A WITNESS TO AN ALLEGED CRIME, YOU have no AUTHORITY, right or business for pulling me aside, trespassing or Interacting with me in any way, especially under duress AND PROTEST.

UNLESS I, THE NATURAL AND FLESH AND BLOOD MAN, AM OPERATING IN ADMIRALTY/MARITIME COMMERCE, YOU HAVE NO JURISDICTION AND ARE COMMITTING AN INTERNATIONAL UCC CRIME!

I am not engaged in operating a motor vehicle used for commercial purposes, and am engaged in public vehicular travel. I have not BREACHED THE PEACE, OR committed any crime, and am therefore not subject to any further delay or penalty, and demand that you leave my presence at once in peace.

YOU ONLY HAVE JURISDICTION OVER FICTIONAL CORPORATE ENTITIES CONDUCTING COMMERCE AND YOU CANNOT INTERACT, CONTRACT IN ANY WAY WITH A FLESH AND BLOOD DISTINCTION AND SOVEREIGN, CREDITOR AND SECURED PARTY!

I am a sovereign private, non-resident, non-domestic, non-person, and non-individual, not subject to any real or imaginary statutory regulations or quasi laws enacted by any state legislature which was created by the people. You cannot lawfully cite me as a sovereign because your state legislature can only regulate what they create and the state does not create sovereign political power holders. You can only interact with a particular office known as "person." I am not a state "person" and you are not authorized lawfully to regulate or interact with me as a private man in any way. The United States of America is a common law jurisdiction of free men and women. I am not a "united states 'citizen'." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "congress," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. I do not hold any position or office where I am subject to the legislature.

I DO NOT NEED PERMISSION, LICENSE, OR INSURANCE TO TRAVEL FREELY IN MY AUTOMOBILE!

I am not receipt of any evidence or document that says I am required to have a driver's license or permission to Travel Freely, show such proof of permission and Since no notice is given to people applying for a driver's (or other) license that: they already have a perfect right to use the roads without any permission, and that they surrender valuable rights by taking on the regulation system of licensure, the state has committed a massive construction fraud. The license, being a legal contract under which the state is empowered with policing powers is only valid when the licensee takes on the burdens of the contract and bargains away his or her rights knowingly, intentionally, and voluntarily. A driver's license is a contract without which the police are powerless to regulate the people's actions or activities. Few if any licensees intentionally surrender valuable rights. They are told that they must have the license. This is not TRUE AT ALL, and is statutory fraud! No one in their right mind voluntarily surrenders complete liberty and accepts in its place a set of regulations.

According to law, I do not need a license, tag, registration or insurance to use my private automobile on the public roads and highways, and you are breaking the law as by interacting with my natural being in regards to your statutory commercial policies. I have not committed any crime under common law, and am therefore not subject to any further delay or penalty. I demand that you leave my presence at once in peace.

The government-created alternate corporate-fictional, UPPER CASE NAME ON A driving license is not a living soul and you holding public office are a corporate entity without a living soul which cannot possibly interact with the living soul and secure party and agent, so I will be on my way in peace! I the Sovereign Secured Party and Creditor have lawful authority to use the debtor as transmitting utility in rightful and lawful activities such as operating an automobile for free travel, without permission from any and government officials including policy enforcers [peace officers], illegal government agents, sheriffs, judges, and state troopers.

Legal fictions such as [the entity and public office referred to as Police Officer], or State Trooper, Judge, or Constable, etc., lack a soul and cannot exert any police powers over those who are blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and, I have a right to Travel Freely without having to have permission or pay for the use or enjoyment of it.

Fee schedule

There is a \$2,000.00 per hour fee, billable to all offending parties for any and all violations mentioned herein by any legislative authority towards my natural being.

I, the sovereign and secure party and creditor, claim my fee schedule for any transgressions by peace officers, state troopers, detectives, martial lawmen, terrorists, antagonists, militia, police powers, government principals, agents or justice system participants is: \$2000.00 (two thousand dollars per hour) or portion thereof if being questioned, interrogated or in any way detained, harassed or otherwise regulated and \$20,000.00 (twenty thousand dollars per hour) or portion thereof if I am handcuffed, transported, incarcerated or subjected to any adjudication process without my express written and notarized consent.

Furthermore, I claim the right to use a notary public to secure payment of the aforementioned fee schedule against any transgressors who by their actions or omissions harm me or my interests, directly or by proxy in any way. Notice: Using a fee schedule to lawfully collect damages does not constitute operating in commerce!

Notice and warning of lack of jurisdiction

I have not been presented with any evidence or documentation under common law that allows you to have jurisdiction over me, the sovereign natural man.

You are under international admiralty/maritime jurisdiction, and you are illegally operating and acting under another jurisdiction: uniform commercial statutory jurisdiction against myself, the sovereign natural and free man with sovereign immunity in both illegal jurisdictions!

as i abide firmly under divine and sovereign common law jurisdiction and have lawfully preserved all my rights therein you are held at estoppel and void of all authority of any sort at this time and you cannot proceed in any way!

Admiralty/maritime or alleged statutory jurisdiction does not apply to my SOVEREIGN natural and free man!

The name on any driving instrument [OR ANY COMMERCIAL CONTRACT] is not my name! It is the name of a government-created fictitious corporate body set in upper case letters to resemble my name without my consent or conscious knowledge.

THIS FACT ALONE MAKES IT A UNILATERAL WORTHLESS DECEPTIVE CONTRACT, VOID AND UN-ENFORCEABLE. Using it to drive is not necessary by law and does not cause a joinder of

contract between your office as a corporate entity and my free man. I am distinguished as separate and set apart from this upper case corporate fiction. I am established as the sovereign secure party and agent for this alternate government-created identity. I have established first right of claim in the amount of \$15,000,000.00 over the corporate fiction per a filed commercial security agreement, schedule a, and UCC-1 financial statement revoking the trading of the government forged corporate fiction's birth certificate to the world bank as surety for UNITED STATES National debt, via the U.S. securities market. I have filed to revoke the illegal use of the corporate fiction's social security number, and all other permits, licenses and contracts issued for ill commercial gain by any government, corporate body or other agency. All compelled government benefits regarding the sovereign natural and free-man have been waived by me including all licenses, permits, government services, and other so-called benefits. The secured party has no liability to any corporate or government body and is not subject to the same.

My UCC-1 Financing Statement AND its Attached DOCUMENTATION is an international standing contract which cannot be breached, over-ridden or impeded by anyone, anywhere, anytime!

My natural real non-corporate name is under a copyright notice and anyone using it illegally or without my permission is liable for copyright infringement and severe penalty. The fee schedule claimed for any use of my natural copy written name is: \$1,000,000.00 per incident and is also collectible by notary and subject to further collection efforts and credit reporting for non-payment. I, have never been, am currently not, or will never be liable for this fictitious entity's debts, matters or affairs [including DMV or commercial highway police matters] and there is no matter in regard to me as the two identities are different.

The upper case fictional entity is a fictitious government-created corporation setup for government use and I, am a natural and free man domicile on the land of continental America, non-resident, non-domestic and a living soul not created by any fictional corporate body or government, and not subject to its control, congress, for-profit legislative or man-made for-profit UCC CODE racketeering. I have Sovereign immunity, am free from control and I live and abide fully by the common law, the only law, which is God's law!

I have full lawful right [not granted privilege] to travel freely in any manner, and by any type of conveyance, without permission, licenses, tags, insurance, statutory rules, harassment or interaction by any police enforcers freely in any city, county, state, federal and global jurisdiction you can name!

I have sovereign rights and as a natural and free-man of the land, all rights for managing maneuvering directing guiding driving and travelling in any form of motorized conveyance whatsoever e.g. Automobile truck motorcycle and the like without any requirement for applying for and without the obligation for obtaining any government license permit certificate permission and the like of any kind whatsoever.

I have the right of movement, the right of moving myself from place to place without threat of imprisonment, the right to use the public roads in the ordinary course of life with permission from any entity whatsoever!

When the state allows the formation of a corporation it may control its creation by establishing guidelines (statutes, written code, and not law) for its operation (charters, or persons). Corporations who use the roads in the course of business do not use the roads in the ordinary course of life. There is a difference between a corporation and an individual. The forgotten legal maxim is that free people have a right to travel on the roads which are provided by their servants for that purpose, using ordinary transportation of the day.

Licensing to travel and all other licenses cannot be required of free people, because taking on the restrictions of a license requires the surrender of a right.

The driver's license can be required of people who use the highways for trade, commerce, or hire; that is, if they earn their living on the road, and if they use extraordinary machines on the roads. This is of no concern to me!

If I am not using the highways for profit, I cannot be required to have a driver's license, insurance, registrations, or tags.

DEFINITIONS of Terms [as defined and used in the commercial statutes that created the vehicle code]

If the correct application of the statute in question is not clear, or understood, here is an exact legal and factual definition of the terms used in connection with this point of law. These terms do not, in their legal context, mean what some assume they mean, thus resulting in the misapplication of statutes in their instant use as is the case at the moment!

AUTOMOBILE AND MOTOR VEHICLE

There is a clear distinction between an automobile and a motor vehicle. An automobile has been defined as: "The word '**automobile**' connotes a pleasure vehicle designed for the transportation of persons on highways." American Mutual Liability Ins. Co. vs. Chaput, 60 A.2d 118, 120; 95 NH 200. While the distinction is made clear between the two as the courts have stated:

"A motor vehicle or automobile for hire is a motor vehicle, other than an automobile stage, used for the transportation of persons for which remuneration is received." International Motor Transit Co. vs. Seattle, 251 P. 120. The term 'motor vehicle' is different and broader than the word 'automobile.'"; City of Dayton vs. DeBrosse, 23 NE.2d 647, 650; 62 Ohio App. 232. The distinction is made very clear in Title 18 USC 31: **"Motor vehicle" means every description or other contrivance propelled or drawn by mechanical power and used for commercial purposes on the highways in the transportation of passengers, or passengers and property.** "Used for commercial purposes" means the carriage of persons or property for any fare, fee, rate, charge or other considerations, or directly or indirectly in connection with any business, or other undertaking intended for profit.

Legal FACT: An automobile is private property in use for private purposes, while a motor vehicle is a machine which may be used upon the highways for trade, commerce, or hire. **my car is an automobile. my automobile is my private property** and i can use it for free private travel without permission. this is a right and not a privilege!

TRAVEL

The term "travel" is a significant term and is defined as: "The term 'travel' and 'traveler' are usually construed in their broad and general sense...so as to include all those who rightfully use the highways viatically (when being reimbursed for expenses) and who have occasion to pass over them for the purpose of business, convenience, or pleasure." [emphasis added] 25 Am.Jur. (1st) Highways, Sect.427, p.717. "Traveler One who passes from place to place, whether for pleasure, instruction, business, or health." Lockett vs. State, 47 Ala. 45; Bovier's Law Dictionary, 1914 ed., p. 3309. "Travel: To journey or to pass through or over; as a country district, road, etc. To go from one place to another, whether on foot, or horseback, or in any conveyance as a train, an automobile, carriage, ship, or aircraft; Make a journey." Century Dictionary, p.2034. Therefore, **the term "travel" or "traveler" refers to one who uses a conveyance to go from one place to another, and included all those who use the highways as a matter of Right.** Notice that in all these definitions the phrase "for hire" never occurs. This term "travel" or "traveler" implies, by definition, one who uses the road as a means to move from one place to another. Therefore, one who uses the road in the ordinary course of life and business for the purpose of travel and transportation is a traveler and travelling is a right and not a privilege needing permission.

Legal FACT: I am a Traveler traveling in my private Automobile which is a right and not a privilege requiring legislative state permission.

DRIVER

The term "driver" in contradistinction to "traveler" is defined as: "Driver One employed in conducting a coach, carriage, wagon, or other vehicle..." Bovier's Law Dictionary, 1914 ed., p. 940. Notice that this definition includes one who is "employed" in conducting a vehicle. It should be self-evident that this person could not be "travelling" on a journey, but is using the road as a place of business.

Legal FACT: I am not in possession of any evidence that I am a Driver by legal and statutory definition! I am not in possession of any evidence that I am conducting commerce on the Highway! I am not a DRIVER which is a commercial and corporate entity by your definition!

OPERATOR

Today we assume that a "traveler" is a "driver," and a "driver" is an "operator." However, this is not the case. "It will be observed from the language of the ordinance that a distinction is to be drawn between the terms 'operator' and 'driver'; the 'operator' of the service car being the person who is licensed to have the car on the streets in the business of carrying passengers for hire; while the 'driver' is the one who actually drives the car. However, in the actual prosecution of business, it was possible for the same person to be both 'operator' and 'driver.'" Newbill vs. Union Indemnity Co., 60 SE.2d 658. To further clarify the definition of an "operator" the court observed that this was a vehicle "for hire" and that it was in the business of carrying passengers. This definition would seem to describe a person who is using the road as a place of business, or in other words, a person engaged in the "privilege" of using the road for gain. This definition, then, is a further clarification of the distinction mentioned earlier, and therefore: Traveling upon and transporting one's property upon the public roads as a matter of Right meets the definition of a traveler. Using the road as a place of business as a matter of privilege meets the definition of a driver or an operator or both.

Legal FACT: an operator operates in commerce, licensed for hire! I am not an operator of any motor vehicle.

TRAFFIC

Having defined the terms "automobile," "motor vehicle," "traveler," "driver," and "operator," the next term to define is "traffic": "...Traffic thereon is to some extent destructive, therefore, the prevention of unnecessary duplication of auto transportation service will lengthen the life of the highways or reduce the cost of maintenance, the revenue derived by the state...will also tend toward the public welfare by producing at the expense of those operating for private gain, some small part of the cost of repairing the wear..." Northern Pacific R.R. Co. vs. Schoenfeldt, 213 P. 26. Note: In the above, Justice Tolman expounded upon the key of raising revenue by taxing the "privilege" to use the public roads "at the expense of those operating for gain." In this case, the word "traffic" is used in conjunction with the unnecessary Auto Transportation Service, or in other words, "vehicles for hire." The word "traffic" is another word which is to be strictly construed to the conducting of business. "Traffic Commerce, trade, sale or exchange of merchandise, bills, money, or the like. The passing of goods and commodities from one person to another for an equivalent in goods or money..." Bovier's Law Dictionary, 1914 ed., p. 3307. Here again, notice that this definition refers to one "conducting business." No mention is made of one who is travelling in his automobile. This definition is of one who is engaged in the passing of a commodity or goods in exchange for money, i.e., vehicles for hire. Furthermore, the word "traffic" and "travel" must have different meanings which the courts recognize. The difference is recognized in Ex Parte Dickey, supra: "...in addition to this, cabs, hackney coaches, omnibuses, taxicabs, and hacks, when unnecessarily numerous, interfere with the ordinary traffic and travel and obstruct them." The court, by using both terms, signified its recognition of a distinction between the two. But, what was the distinction? We have already defined

both terms, but to clear up any doubt: "The word 'traffic' is manifestly used here in secondary sense, and has reference to the business of transportation rather than to its primary meaning of interchange of commodities." *Allen vs. City of Bellingham*, 163 P. 18. Here the Supreme Court of the State of Washington has defined the word "traffic" (in either its primary or secondary sense) in reference to business, and not to mere travel! So it is clear that the term "traffic" is business related and therefore, it is a "privilege." The net result being that "traffic" is brought under the (police) power of the legislature.

Legal FACT: to be in Traffic means to be in operating in commerce and is a considered a privilege under statutory code! **I am a traveler and not operating in the traffic of commerce.**

Summary OF the Facts OF HIGHWAY TERMS:

Police officers [commercial policy enforcers], state troopers, the dmV, and related agencies only have power to regulate, have authority and jurisdiction over, but are limited to regulating commercial traffic only on the streets, roads and highways and other places of travel.

The police have no jurisdiction whatsoever over a free sovereign man traveling privately in an automobile on any street, road, highway and other place of travel!

FURTHERMORE, NO PERMISSION IS NEEDED TO TRAVEL FREELY INCLUDING A DRIVER'S LICENSE, PERMIT, PICTURE ID, REGISTRATION, TAGS OR INSURANCE!

These facts are CLEAR UNDER STATE UNIFORM COMMERCIAL CODES REGULATING DMV AND POLICE POWERS OVER THE HIGHWAYS, AND MOST PEACE OFFICERS AND OTHER OFFICIALS DON'T REALIZE THEY ARE PARTY TO SEVERE CRIMINAL ACTS AGAINST FREE MEN AND WOMEN OF CONTINENTAL AMERICA!

Unless you provide proof of my obligation to have a license, permit, registration, tag or insurance, to travel non-commercially, and provide proof of your jurisdiction over a flesh and blood being, and provide proper rebuttal for the required proof of claims listed below, then i advise you in honor and peace to cease and desist at once and allow me right of way!

Proof of claim required before you proceed:

I demand proof of claim that you have the authority or jurisdiction over me as a non-corporate man on the highway or anywhere for that matter!

I demand proof of claim that you are have been granted consent to conduct any activities such as pulling me over, stopping me, detaining me, delaying me, harassing me, causing duress, making threats, inciting violence, displaying or using deadly weapons or force against myself to get me to enter into a jurisdictional contract with you.

I demand proof of claim that I am obligated to apply for or to have a driver's license, tags, insurance, or permission to travel freely on the highways. I am not in receipt of any evidence or document that says I am required to have a driver's license or permission to travel freely, show such proof of permission.

I DEMAND PROOF OF CLAIM that notice was given to myself or anyone applying for driver's (or other licenses, permits, or insurances) that I/we already have a perfect right to use the roads without any permission, and that they surrender valuable rights by taking on the regulation system of licensure, the state has committed a massive construction fraud.

I demand proof of claim that any of the terms above [used by the DMV and related agencies] which refer to commercial activity only on the highway apply to me as a natural being using the highways to travel

freely in the private venue and not for the purpose of commerce. **If you cannot provide this proof at once, then you cannot detain, delay, cite, arrest, cause duress, harass my natural being under the codes that all police officers abide by!**

I demand proof of claim that my true natural identity is the fictitious corporation which You are attempting to interact with Illegally, disguised in upper case letters [including the name on a driver's license which I waived the benefit to use] to resemble my name and was or was not created by the government by forgery on a birth certificate without my authorization or knowledge as a secondary alternate fictitious identity for their ill financial gain and said government did or did not pledge all my life's worth, labor, property and physical body as value and surety for a fictitious national debt by commercially trading this forged birth certificate for no less than approx \$1,000,000.00 on the world securities exchange giving full ownership of this upper case commercial corporate fictional body: and all its false value to the corporations, federal reserve and world bank! Prove to me this is not the biggest lie and most heinous crime in history! You are required to prove this for the public record, under perjury and full commercial liability before you even speak to me further!

I demand proof of claim that I am or am not a natural and free man of the United States and you or congress has any power over me or any non-resident natural man or woman. I do not live in Washington, D.C., Guam, Puerto Rico, or any other federally-held and congressionally-controlled territory which makes me a citizen of the United States. I am not a citizen of the United States and not subject to congress. Congress has exclusive rule over a given territory and I am not part of that territory. I am domiciled in as a sovereign territory fully protected from tyranny [and all police force] by the constitution [which you have ignored] and free from any direct rule of congress or other socialist or Marxist government over myself.

I demand proof of claim that you or any government official has jurisdiction over me and my property as the sovereign natural free man. The only criminal jurisdiction possibly applicable is admiralty/maritime where there was an international /maritime contract involved, I was a party to it, it had been breached, and the court was operating in an admiralty jurisdiction. I have never been under any international maritime contract, so I would deny that one exists. I demand that such a contract, if it does exist, be presented to me. If this is not the case, I demand a list of rules of defense for the misleading system of statutory jurisdiction. If there has been a crime committed under common law which must be recognized at UCC 1-103, I demand you bring forth proof the injured party and complaining witness at once. **"without prejudice UCC 1.308, formerly 1.207"**,

I demand proof of claim that I have not waived all benefits of any compelled government contracts or agreements (including all court documents and any contracts, or documents in the possession of peace officers [including driver's license, summons, warrants, etc...] listing the name of the upper case corporate fiction), making such contracts void and unenforceable.

I demand proof of claim there was full consideration on my part and for my conscious, voluntary, knowledgeable, consent; full intent, and authorization of all compelled government contracts or agreements (including all traffic citations court documents and any contracts, or documents in the possession of peace officers listing the name of the upper case corporate fiction), where such contracts are void and enforceable. This will include bringing forth an original enforceable commercial corporate contract.

I demand proof of claim that I understand the nature of any commercial charge or statutory commercial citation you may present. If civil, it is an equity matter. If criminal it must fall under international admiralty/maritime or common law jurisdiction. If [statutory/ codes of commerce for corporations], I **demand proof of claim** of any hidden or non-disclosed rules of defense under this jurisdiction.

I demand proof of claim is brought into evidence that you are moving under common law and bringing your statutes into harmony with such as required under uniform commercial code 1-103.6 in your damaging actions.

I demand proof of claim that the United States government has or has not been bankrupt since 1933 and its natural and free men are its debt surety slaves and enter your finding and statement thereof into the public record. **I also demand immediate proof that there is anything existing referred to as "money" in the united states** or any "federal reserve notes" that aren't counterfeit to pay any alleged debt anywhere or use as a payment for goods and services, and that there is substance in place such as precious metals for this "money" in any form anywhere!

I demand proof of claim that you as a statutory police officer [policy enforcer] are not a commercial capturing agent for a fictional government-created UNITED STATES Commercial Property [of flesh and blood human bodies] and the illegal arrest thereof that leads to grossly deceptive commercial court cases where the people are coerced and tricked by false contracts, actions, and language into receiving commercial criminal fines and charges, and worst of all having ILLEGAL bid bonds [set by the ADMIRALTY court and sent to the UNITED STATES District Court] then sold in commerce to corporations, and traded on the securities market for thousands and even millions of dollars while the property or chattel [the flesh and blood bodies] are deposited into warehouses [jails and prisons] under torturous conditions until the bond matures, and that this whole heinous crime against humanity and be willing to testify to this as not being the truth and nothing but a lie under full personal commercial liability, for the public record.

I demand proof of claim that you are, or are not offering me an action of a security interest.

If you cannot or do not bring forth all of this proof under a complete affidavit of truth, then I demand you do not detain or harass me further and do not approach my natural being in any way without my express written and notarized consent AND ALLOW ME TO GO IN PEACE!

if you broadcast, send or inquire information using my name or any private information pertaining to myself over a radio, computer or other device, you are infringing on my copyright, invading my privacy and divulging private data to a 3rd party. There is a \$1000,000.00 Fee for each infraction and copyright violation. If I choose to do so, I will also file a default judgment for failure to provide proofs of claim after this notice, and file A commercial lien against you personally by due process, seizing your land, home, vehicles, all personal property, spouses personal property and stop your personal credit at once for a period of 99 years or until i choose to remove the lien.

if you cause duress, or damage to me, threaten or injure me in any way, prepare to stand personally liable for it! any injury by any police enforcer on my natural being will be considered an act of terrorism and brought before the public.

Furthermore, I claim that anyone who interferes with my free-will and common law activities and rights after having been served this notice and commits such transgressions will be dealt with personally in a proper legal fashion in courts of higher authority!

My Common Law Rights and Claims

I claim common law jurisdiction, I do not consent, and I waive the benefits!

I make valid reservation of common law rights, preserve reservation and prevent the loss of such rights by application of concepts of waiver or estoppel. **"Without prejudice, UCC 1.308 formerly, 1.207"**
